

3A Kwok Pak Hei

My classmate

Bosco is my classmate. He sits behinds me. He has a small mouth. He has big eyes.

I like him because he is friendly and strong. He doesn't shout at me. He usually runs with me and plays with me.

He can run very fast. He can cycle.

His favorite subject is P.E. He is good at playing ball games with me and cycles with me in his free times.

I am glad Bosco is my classmate.
