

3B Yu Ching Tung

My classmate

Brutus is my classmate. He sits on my left. He is short and thin. His eyes are big. I like him.

I like Brutus because he is helpful. He does not play tricks on me and he looks after me. Brutus is kind too. He listens to me and plays with me.

Brutus's favorite subject is P.E. He is good at running. He plays badminton every Sunday.

I am glad Brutus is my classmate.
