

4A Ko Wang Him

A special friend

Last Sunday was a fine and clear day so John went to May Park with parents by bus. They brought a bunch of bananas, two apples, some sausages and some potato chips.

All in a sudden a monkey jumped out from the tree. They were in a cold sweat. Next, the monkey took a bunch of bananas and an apple. They were angry.

Then John said, 'If you want to eat, you can eat with us. And the monkey came and ate together.

Finally, they were over the moon as they were the first time to eat with a monkey.
