

Judy's weekend

Judy got good results in her exams so her parents wanted to celebrate with her. They went to Hong Kong for two days. On Saturday morning, they went to the Peak. They looked at the beautiful view of Hong Kong.

In the afternoon, they went to Aberdeen and ate seafood. After a while, Judy's mum said, 'Judy, you ate too much, you must stop eating.' But Judy didn't listen to her mum. Soon, she asked her dad, 'Where will we go tomorrow?' 'Disneyland,' her dad replied. She was very excited.

At night, she was sick, and she went to the airport with her parents and went back to their country.
