### **Our drama show**

The drama's title is 'The Christmas Fir Trees'.  
We had the drama show on 17<sup>th</sup> January, 2019.

One day, our teacher told us to perform the drama. He assigned one classmate to act as the 'Christmas Tree'. The other classmates performed other characters like Bunnies, Birds, Stars, Family members and Narrators. I was one of the narrators.

Before the performance, we practiced hard at home. During the rehearsal, I practiced with my classmates. This was my first time to join the drama so I was excited. Sometimes, our classmates went to the wrong direction or did the wrong action. The teacher led us in the performance. It was funny. We enjoyed the drama lessons very much. It was a great experience for me!

It was too bad that I couldn't join the drama

performance on that day because I was sick. I was very unhappy. After I got well and went to school, I asked my classmates about the drama performance. They told me that we got the best drama performance award! I was surprised and happy. I knew that we practiced hard. Our teachers were proud of us too!
