

## 4D Lai Hoi Nam

### Myself

I am a girl. I live in Tai Po. I am eight years old and my birthday is on 5<sup>th</sup> December.

I am tall and thin. I am taller than Ben but I am not the tallest girl in the class. I am thinner than Peter. My hair is shorter. It is shorter than Tom's.

I like collecting stamps, playing football and playing chess. I sometimes go to the Chess Club on Monday after school.
