

A decorative border of green clovers surrounds the text. The clovers are arranged in a circular pattern, with some larger and some smaller, creating a frame around the central text.

### **Journal entry**

I was waiting for a bus with my brother at the bus stop in the morning yesterday. We were going to the tutorial class. After that two children were chasing on the pavement. There was a bus coming. ‘Don’t run Stop! It’s very dangerous.’ said the boy.

After that the boy fell on the pavement and he hurt his hands. Then, the boy cried loudly. The bus driver was shocked’. We were going to help the boy.

In the end, a policeman saw that and helped the boy. Ben picked the flowers in the garden. King Giant is angry. He says, ‘You mustn’t pick the flowers!’ Ben says sorry to King Giant at once. He feels regret. King Giant runs after him. At last, Ben makes the sandwiches to King Giant and make him happy again.
