A letter for my friend

Dear Dickson,

It has been a long time since we last met. I miss you very much. I want to take you to the Shanghai Museum. It has a lot of antiques and we can learn a lot of Chinese History from visiting the museum.

There are many displays, like Chinese seal, Chinese paintings and different styles of calligraphy collections. I know you are fond of Chinese history and visiting the museum can definitely answer a lot of Chinese History questions in your mind.

Dickson, would you like to visit it with me? Let's have a time travel to learn about Chinese History in the Shanghai Museum.

Love,
Ryan
