

## A Rainy Day

It was raining heavily last Sunday, Tom took a bus to school and the floor was very wet.

When Tom got on the bus, a lady was going to get off the bus, so Tom was able to find a seat on a crowded bus. However, Tom was falling asleep on the bus, he didn't know the lady had left her umbrella.

When Tom woke up and got off the bus, he took the wrong umbrella and he didn't realize.

When Tom arrived at school, he saw the dots pattern on the umbrella and thought "This umbrella is not mine, I get another umbrella and it is pink in colour. What should I do now?" Tom felt embarrassed.
