

5B Lam Wun Yung

My School

My school is Hong Kong Southern District Government Primary School. It's at 325 Ap Lei Chau Bridge Road, it is opposite to the football field.

I am in Class 5B. My best friend is Phoebe. She is good at playing badminton. At break time we eat our lunch together and talk happily. Chong Hoi Yun is our monitor and Hoi Yan Ting is our monitress. They are very polite and tidy. They also help the teachers to maintain the classroom orderly.

At school, we should be nice to our classmates, In class, we should listen to our teachers. We should raise our hands before answering questions. When we take a break, we should talk to our classmates or teachers politely. And then we shouldn't fight with our classmates and shout at them. Also, we shouldn't laugh at our classmates. At last we shouldn't be mean to or quarrel with our classmates or teachers. It is very impolite.
