

The trip in Shanghai

Our school organized a three-day trip for all Primary 5 students to Shanghai from 9th January to 11th January. We gathered at school very early in the morning. We set off to Shanghai by air. The teachers went to Shanghai with us. After two hours' flight, we arrived at our destination - Shanghai. All students shared with joy.

At once, we went to the canteen to have lunch because we were very hungry. After we were full, we dashed to the Shanghai Museum to look at the displays. Then we went to the convenience store to buy some drinks and snacks. We unloaded our luggage at the hotel by nine o'clock at night. Before we went to bed, every group had a reflection with group teachers.

We went to visit Shanghai Science Centre, Oriental Pearl TV Tower and Shanghai Bund. There were many western style buildings in Shanghai Bund. I thought these buildings were built in the Qing Dynasty. Before we flew back to Hong Kong on the third day, we went to Tianzifong to buy our favourite things and souvenirs. We watched many beautiful paintings in Chinese Art Palace too. The paintings were amazing. We then took the Magler train to the airport and said goodbye to Shanghai.

On the plane I felt a bit sad and missed our wonderful Shanghai trip much. Shanghai is a prosperous, lively and modern city. Shanghai people are kind, discipline and friendly. I hope to visit Shanghai again in the near future and stay there for a longer time. I am sure I can know Shanghai and the people there much more.
