

6A Marcus Luk Ka Leong

**If you owned a shop, what kind of shop would it be?**

When I was small, I wanted to own a supermarket called Marcus' Supermarket in Ap Lei Chau. Guess what? You can find anything you think of there. This is my dream to run a business to serve everyone in my community.

In my supermarket, there are a wide range of goods for people to choose from. You can buy food and drinks from all over the world. Sushi, pizza and bubble tea are popular items in the store.

The opening hours would be from 8 a.m. to 10 p.m. My neighbours may come to my supermarket every day. It is very convenient for everyone who lives in Ap Lei Chau.

I hope all of my family and friends will come to visit and find what they need in Marcus' Supermarket!
