## What a day!

Yesterday, Joe and his dad went hiking. They went to Aberdeen.

At the Country Park, Joe said, 'Let's walk for three hours.' Dad answered, 'OK!'

When they started walking, Joe hurt himself. 'Ouch!' he shouted. Dad said, 'Let's find a place to take a rest. They got into the wayside pavilion and took a rest.'

When they tried to eat some food, they found out that they only had very little food and water! Dad said, 'We must go back right now!'

On their way home, it rained! Dad said, 'Let's go! We must go back home as soon as possible!' Luckily, they went home quickly.

When they were home, Joe had a fever and a cold! Mum said, 'You must take a rest.' Joe will not go to school tomorrow. He felt very sad.
